MOB FREES SLAYER

MURDERER AWAITING EXECUTION IS LIBERATED BY MOUNTAINERS.

WORK DONE VERY QUIETLY

Wharf's Posses Start in Search of Prisoner Who Is Taken From Jail by Friends—Bloodshed Feared if He Is Recaptured.

Livingston, Va.—John Moore, who was in the Nelson county jail here, under sentence of death for the murder of Frank Howell, was liberated by his mountaineer friends Friday and escaped to the mountains.

The mob, numbering 75 fully armed men from the mountain section of the county where the murder was committed, proceeded quietly through the town to the county jail. The doors were rushed and the guards, facing pistol, made no resistance. The cell where Moore was locked up soon was found and he was taken out.

Proclamations had been taken by the crowd to prevent any further bloodshed and almost as quietly as they had entered the town the men left it and started back to the mountains. It was some hours after the rescue that the news spread and then deputy sheriffs started for the mountains to recapture the murderer. It is feared that bloodshed will follow any attempt of the authorities to recapture Moore.

Moore was condemned to pay the death penalty by electrocution at Richmond on November 29, he having been convicted of murdering Frank Howell in Nelson county last May. Many of the mountaineer friends of the condemned man believed him innocent of the crime.

At the October term Mrs. Rure Howell, widow of the murdered man, indicted as an accomplice, was acquitted. Public sentiment was strong against the pair, upon whom charges there was a change favorable to Moore.

KENTUCKY GLEANINGS

WHAT IS GOING ON IN DIFFERENT SECTIONS OF THE COMMONWEALTH

SPEDDY JUSTICE.

Charles Little, Slayer of Henry Nephew, Sentenced to Hang.

Jackson.—Charles Little, who assassinated Matt Crawford at his place of business, two miles above Jackson, was tried by a jury and his punishment fixed at death. T. T. Cope was appointed by the court to represent the defendant, and after the jury had been selected entered a plea of guilty for his client and in a short speech pleaded for mercy.

Senators R. Hogg, of Booneville, Ky., by request, presented the case for the commonwealth, and asked for a verdict that would make an example by the punishment set.

The jury was only out 10 minutes and returned a verdict fixing the punishment at death.

The trial of the case has established precedent for speedy enforcement of the law in Breathitt county and perhaps in the entire state.

POSTAL SAVINGS BANKS.

Trustees Will Meet to Consider Committee Reports.

Washington.—Secretary of the Treasury MacVeagh and Assistant Secretary Anderson conferred concerning the savings bank plans.

The trustees—Mr. MacVeagh, Atty. Gen. Wickham and Postmaster General Clegg—will meet to consider committee reports on the working details.

The treasury officials are working out the details of the plan, which is a desire to safeguard against any defects in a scheme of such magnitude.

The plan is to have 50,000 postoffices and perhaps 15,000,000 depositors may be affected. They base these figures on the number of postoffices and the number of depositors in England, where the latest reports showed more than 11,000,000 depositors.

POSTMASTER SHOT TO DEATH.

Echo of Former Affair in Which President's Assailant Was Shot.

Franklin.—At Salmon's Station, three miles north of this place, Joe McElwain shot and instantly killed William McElwain, a postmaster, and another man, at that place. The men had trouble some months ago, when Wier was shot by McElwain, but recovered and was discharged. The trouble was a result of a fight between the two men, who were at the office making up his mail when the shooting occurred.

It is said that Wier and McElwain had a dispute about a letter, when Wier was building and returned with a gun. Further words, it is alleged, ensued and McElwain fired, killing his man instantly.

Both Wounded.

London.—Mack Thomas and Samuel Hammonds are both seriously wounded, result of a fight. Thomas, who is 50 years old and runs a soft drink stand, is seriously stricken in the back, shoulder and left side. His chances for recovery are remote.

Hammonds lives in Clay county. His wounds are not serious, but he was severely beaten and cut over the head and face with a revolver. Hammonds, who, it is said, was intoxicated, carried a revolver, striking Wier and the latter attempted to put him out.

Gift to University.

Lexington.—R. A. Long, Kansas City capitalist, has donated \$30,000 to the University of Kentucky, according to an announcement made at the institution. Mr. Long is credited with being the originator of the Brotherhood of the Disciples of Christ.

New Building Dedicated.

Verdell.—The new \$50,000 post office building which has just been completed here, will be dedicated with fitting ceremonies on October 21. It is proposed to make the occasion notable in the history of the city and a public holiday will be declared. The community is indebted for this handsome ornament to the city to Gov. J. C. W. Beckham, who secured an appropriation for the building last year for his retirement from the United States post office and to ex-Governor W. P. Kimball, through whose efforts an additional appropriation was obtained.

Doings of the Week

Myerville.—Roy Hampton, 12, was killed in the race by a mob here and it is feared can not recover.

Lexington.—A suit for back taxes by the Internal Revenue Service against Scott against E. R. Bradley and the late Howard Stock farm, of which Bradley was the owner, was returned over to the court for the year 1905, 1906 and 1907 taxes on a valuation of \$10,000 is sued and for 1901 and 1902 on a valuation of \$25,000.

Morrisstown.—The culmination of romance was the marriage of William Davis, aged 28, of Morrisstown, Ont., and Mrs. Anna Davis, aged 24, of the same place. The disparity of ages is but a minor one of the interesting circumstances connected with the union, as the bride was the daughter-in-law and later the housekeeper of the man who is now her husband.

Henderson.—Chester Fontaine, who is alleged to have killed Tom Marshall John T. Shaga, of Clarksville, Henderson county, was placed under arrest in Daviess county, after a chase of several miles. He denies that he killed Marshall, but the authorities are determined to place him in a park located in the heart of Henderson while the case is pending.

Trenton, N. J.—Mrs. Frances Pollock Cleveland, of Princeton, widow of Governor Cleveland, was named by Gov. Ford as one of the commissioners to manage a women's reformatory in this state. No money has been appropriated by the legislature for the erection of the proposed institution and the newly appointed commission can do nothing more than organize the work.

Versailles.—The Central Kentucky Plumber and Pipe Fitters' association filed articles
